

GENKI EXPLORES THE ASIAN WORLD OF FLAVOURS

Hi, I'm Genki!

I love exploring Asia and discovering its bold, traditional flavours. I've turned my favourite finds into addictive, crunchy SNACKMIXES.

Asian cuisine to me is chaotic brilliance: vibrant colours, wild textures and unforgettable flavours. My first Asian street food experience blew me away, and I've captured that excitement in every mix.

Feeling fiery? Kimchi, Chili Oil or spicy Takoyaki Sauce style will kick your tastebuds!
Feeling fruity? Ponzu style will treat you gently.
So, how do you feel today?
